

Patient Safety Slogans

Hand Hygiene:

- What are the 10 best bearers of disease? Your fingers.
- Declare a war on germs. Hand to hand combat.
- Clean hands are guardians of health.
- Wash hands. Keep everyone safe.

AMR (Antimicrobial Resistance):

- Fight antibiotic resistance, it's in your hands!
- Think twice. Seek advice. Antibiotics aren't always the answer.
- Antimicrobial Resistance; No action today, no cure tomorrow.
- Not all bugs need drugs.

Healthcare Associated Infections:

- Control infections before they take control.
- Precaution is better than cure.
- 50% of patient harm is preventable. Do your part!

Respiratory Hygiene:

- Catch it. Bin it. Kill it!
- Infection-Don't pass it on. Cover your mouth and nose while coughing or sneezing
- Coughs and sneezes spread diseases.

PPE (Personal Protective Equipment):

- Wear mask to protect yourself and others
- Wear PPE as per risk assessment

Sharp Safety:

- Prevent the worst, put sharps safety first.
- Don't recap needles! Dispose in sharps container.
- Reuse of needles is a violation of patient safety.

Clean Environment:

- Keep workplace and environment clean; be safe and consider safety of everyone around you

Occupational Safety Slogans

- No safety, know pain. Know safety, no pain.
- Safety is not a choice, it's an obligation.
- Prevention is better than cure.
- Your actions can save lives so don't be a bystander when it comes to safety.
- A danger foreseen is half avoided.
- Prevent the worst, put safety first.
- If you think safety is expensive, try ignorance.
- Safety is the most effective insurance policy.
- A spill, a slip, a hospital trip.
- In case of fire, exit building before posting about it on social media.
- Your good health is your greatest wealth.
- Today + Safety = Tomorrow
